

**'Ideal Types of Max Weber are mental constructs, they do not correspond to the reality. Give your views.'**

Weber used ideal type in a specific sense. To him, ideal type is a mental construct, like a model, for the scrutiny and systematic characterisation of a concrete situation. Indeed, he used ideal type as a .....

**What are the reactions of R.K. Merton to the functionalism of social anthropologists? Bring out the limitations of latent.....**

Merton's reactions to the functionalism of social anthropologists highlight the importance of studying both the manifest and latent functions of social institutions, as well as the....

**How are Hierarchy and Exclusion the major impediments in the transformation of societies? Discuss.**

Social exclusion is systematic –it is result of structural hierarchical features of society. Exclusion is practiced regardless of the wishes of those who are excluded. For example, rich people are never found.....
